**PARTICIPATING WRESTLERS:**

The top 4 Place finishers at each weight class from the 8 Region sites (Jan 11) will advance to the WWCJV State Finals @ Wausau West High School on January 25th, 2025.

**Please notify Dallas Moe (Tournament Director) by Wednesday, January 15<sup>th</sup> following the Region meet if your wrestler(s) is not able to compete at the WWCS Final. Reasons for not participating vary, and we understand that not all qualifiers will be able to participate, however, we do expect that any teams that have qualifiers, will do everything they can to attend the finals for the integrity of the event. Teams that do not do their due diligence to send qualifiers may not be invited to return to the qualifying event in the future.** We would encourage teams in the same geographical areas with qualifiers to reach out and possibly ride share.

We will attempt to keep at least 24 spots filled on the Finals bracket. If a weight class at any Region does not have 4 wrestlers, or a qualifier cannot compete, there will be a random draw by Region to fill up to 24 spots for the Finals 32-man brackets. This process allows all Regions equal opportunity, and some 5<sup>th</sup> or 6<sup>th</sup>-place finishers may compete because of these openings. Those schools will be notified by email. The deadline for any scratches or additions is Thursday, January 23<sup>rd</sup> by 6 PM.
